Big numbers catch your audience's attention

Examples

Do you know what helps you make your point clear? Lists like this one:

- They're simple
- You can organize your ideas clearly
- You'll never forget to buy milk!

And the most important thing: the audience won't miss the point of your presentation

Exercice pratique

Mercury is the closest planet to the Sun, but does its name have anything to do with the liquid metal?

Contrary to popular belief, it doesn't. The truth is that this planet was named after the Roman messenger god

**Une image vaut
mille mots!**

Une image renforce toujours le concept

Images reveal large amounts of data, so remember: use an image instead of a long text
